FORTY MONARCS, MADQUINS

GUIDED BY TWO B'S

Bev (Miss Beverly Bartlett) and Bru (Mr. David Brubaker) sponsored the school's honor groups with appropriate and characteristic dignity and aplomb. This year's Monarc and Madquin ranks were swelled by personalities as were never before imagined by any of our predecessors. They had great leaders in Christy Chittick and Lloyd Marugg, who, incidentally, are this year's "two to remember."

As always, they could be seen ushering at our assemblies and honoring our flag once a week. The two groups also combined their efforts to clean and paint the Big M which was in dire need. The year's activities were highlighted by an impromptu and accidental meeting and Christmas celebration in the mountains.

The following names are, as might be expected, a list of the members of the Monarcs and Madquins, separated according to sex -- if any. Check the list and see if your idol is included: MONARCS- Lloyd Marugg, Rick Zimmerman, Steve Gossett, Rusty Radcliffe, Brian McNichols, Bill Minteer, Jeff Cranor, Chris Holman, John Gould, Ron Kokuga, Rafael Mora Gamboa, Steve Gillespie, Chester Baker, Richard Dougall, Marty Flannes, John Parker, Larry VanderDoes, Darryl Carr, John Grover, and Dan Bagwell. MADQUINS- Christy Chittick, Jan Grosvenor, Linette Romin, Jean Osbrink, Alice Smith, Terri Teegarden, Wendy Bourdon, Kathy Valenson, Janet Morishita, Carol Mader, Christine Wilson, Tina VanEijsbergen, Rita Martinez, Jill Grubbs, Jean Sawada, Carolyn Getzinger, Julie Johnson, Candy Phillips, Paula Brooks, and Monica Belin.

LINETTE ROMIN
RICK CHILDS

This year the Senior Class chose wisely in selecting their bestest in looks. The Class of '70 decided to dub Linette Romin and Rick Childs as their best looking guy and gal. On Wednesdays, Thursdays and Fridays, Linette was easily spotted as she wore either her Madquin blue or her song girl green. At football and basketball games you could see her leading songs and dancing her way through a half time program. You captured flashes of Rick either at snack under the oak tree, at the November Co-Ed as the Senior Prince, or when he walked down a hall, and you asked yourself, "Hey! Who's he?"

LIVELIEST STUDENTS ON MHS CAMPUS

From the ranks of supporters and well-wishers there always arise ome prominent figures. This year's leaders in the field of spirit are Mary Jo Gaudio and Dan Bagwell. They could be seen at almost any vent that had anything to do with the school and could be of help by little yelling and a lot of yelling.

Mary Jo displayed her spirit not only at the pep rallies and at the ames, but all day long. She could be seen at lunch in front of the Senior Vall, keeping her tired classmates cheerful with her welcomed spirit. At the games, Mary Jo's spirited endeavors rivaled the next spirit leader o be mentioned -- Big Bag.

Dan has the kind of spirit that you can sense when you first meet person. He wears his spirit all over him because it is a part of his ife. As Head Cheer Leader, Dan stirred the crowds to the thrill of the ame. His sincere and enthusiastic entreaties for cheers from the crowd were always answered with willing roars.

Both Mary Jo and Dan could have easily made the bestest in the cate- ory of personality because their agreeable personalities were so much part of their enthusiasm. They lived their spirit and that is the reason why their spirit seemed so sincere and natural. Mary Jo and Dan are part of the Class of '70 just as are the other graduating Seniors, but hey are a part that we cannot forget since they provided so much spirit nd cheer for our class.

CHRISTY CHITTICK
MARTY FLANNES

It is something quite special when academically excelling students are also nice people. This year MHS Seniors combined both qualities in choosing their "bestest" for intelligence: Christy Chittick and Marty Flannes.

Actually, both could be fitted into any of the "bestest" categories, being attractive, involved, personable Seniors. You'll find them represented in most sections of this book.

In September, Marty, after a summer in Europe, will probably be enrolled at Stanford. Christy heads to UC, Santa Barbara.

CHET, KATHIE, BILL— THE PERSONALITIES AT MHS

A personality is impossible to describe, but it is instantly recalled the moment a person's name is mentioned. To show the varied and exceptional personalities that the class of '70 has as its bestest, a few names can be mentioned: Chet Baker. . . . Kathie Hopper. . . . Bill Minteer. Pretty good choices, aren't they?

To be bestest in anything is hard, but to put up with all of the school pressures and all of us and still be friendly and personable to everyone is quite an achievement. Chet was always ready with a friendly greeting and a sincere question as to your well being. He was obviously interested in even the dullest of us, and we all found it enjoyable to carry on a conversation with the part time Willie (of Willie and Wilma).

Kathie, our head song leader, was all smiles all year. She could be seen displaying her winning charm all around campus, and she was especially popular first lunch by the Senior wall. She seemed to be symbolic of our class' desire to enjoy ourselves.

Bill was known by one and all. Whether performing as a dedicated cheerleader or some mischievious deed on campus, he was the welcomed center of any group. His bright orange sports car seemed to fit his going personality. In the future, when trying to describe or remember the personality of our class, just remember: Chet . . . Kathie . . . Bill.

Monarc, Madquin Presidents This Year's Two to Remember

This year's TWO TO REMEMBER worked especially well together. They were either running the elections with their usual efficiency or were co-ordinating their respective Monarc or Madquin presidential duties. Christy Chittick and Lloyd Marugg are the type of people we all see busy on campus, and we feel that we know them personally.

They could very well be considered as the best mixture of looks, personality, spirit, and intelligence that we have in our class of '70. Christy and Lloyd played many roles as our all-around best. Whether Lloyd was seen as prince or king of the annual Co-Ed, leading us as president when we were Sophs, or committing one of his atrocious, unforgettable puns, he was his friendly, smiling self.

Christy was always busy. She had all she could do just to keep accepting her honors or awards. Always the object of many admiring eyes, she wore her MHS green with the same spirit that she carried into the classroom. In the future when we ponder our life at MHS, we will include Christy Chittick and Lloyd Marugg as part of the good times. They liked us, we liked them.

CLASS OF '70 EGGHEADS

SUSAN SARGEANT—One who tries hard—perhaps too hard—to achieve the best in everything. Not willing to just "get by" in a class with an A-; would strive to make that grade an A. This quality inherent with Susan is what makes her truly a Gold Sealer. And she will always try in her gullible, chipmunk sort of way to reach the highest of her goals. by **LM**

MARTY FLANNES—Serious (?), so to speak, basketball, unusual, silly, Teddy Bear, smart (or intelligent), nasty, tennis, Maverick, curly, that's what she said, shy, handsome, But do you?, concerned, tennis shoes, ambitious, Senior Class, science, math, Gold Seal. by **RKR**

JEAN OSBRINK—Fresh as a cherry, brings a happy sunshine smile to everyone she meets. Has a warm and eager approach to life which will defy any opinion of life which is to the contrary. Are you ready world? Here's Jeannie! by **TV**

RUSSELL KELLY RADCLIFFE—RR, Rusty, smart, friendly, sharp, sensitive, black vw, fixing it, red beard, happy, sudden laughter, jokes, first lunch, gotcha!, talks German, many friends, poetry, sports, Monarc, cheering, deep, interesting, clothes salesman, good at living, a good friend, my friend. by **MF**

TINA VAN EIJSBERGEN—Skips down the halls crying for joy. Laughs out loud, sings, hides under bleachers, shares her pennies with a friend. Works, she feels, she understands, but most of all she is a friend. Is Tina. by **JO**

LLOYD MARUGG—Outstanding for being a well rounded person. All American, good looking (cute?), likeable, smiling, fun, considerate, thinking and serious when not humorous (differently), absurd, attempting puns, mischievous, politics, electronics, diplomat (?), American Abroad '69, King of the Co-Ed, Monarcs, Councils, Committees, Sophomore Class, etc. by **SS**

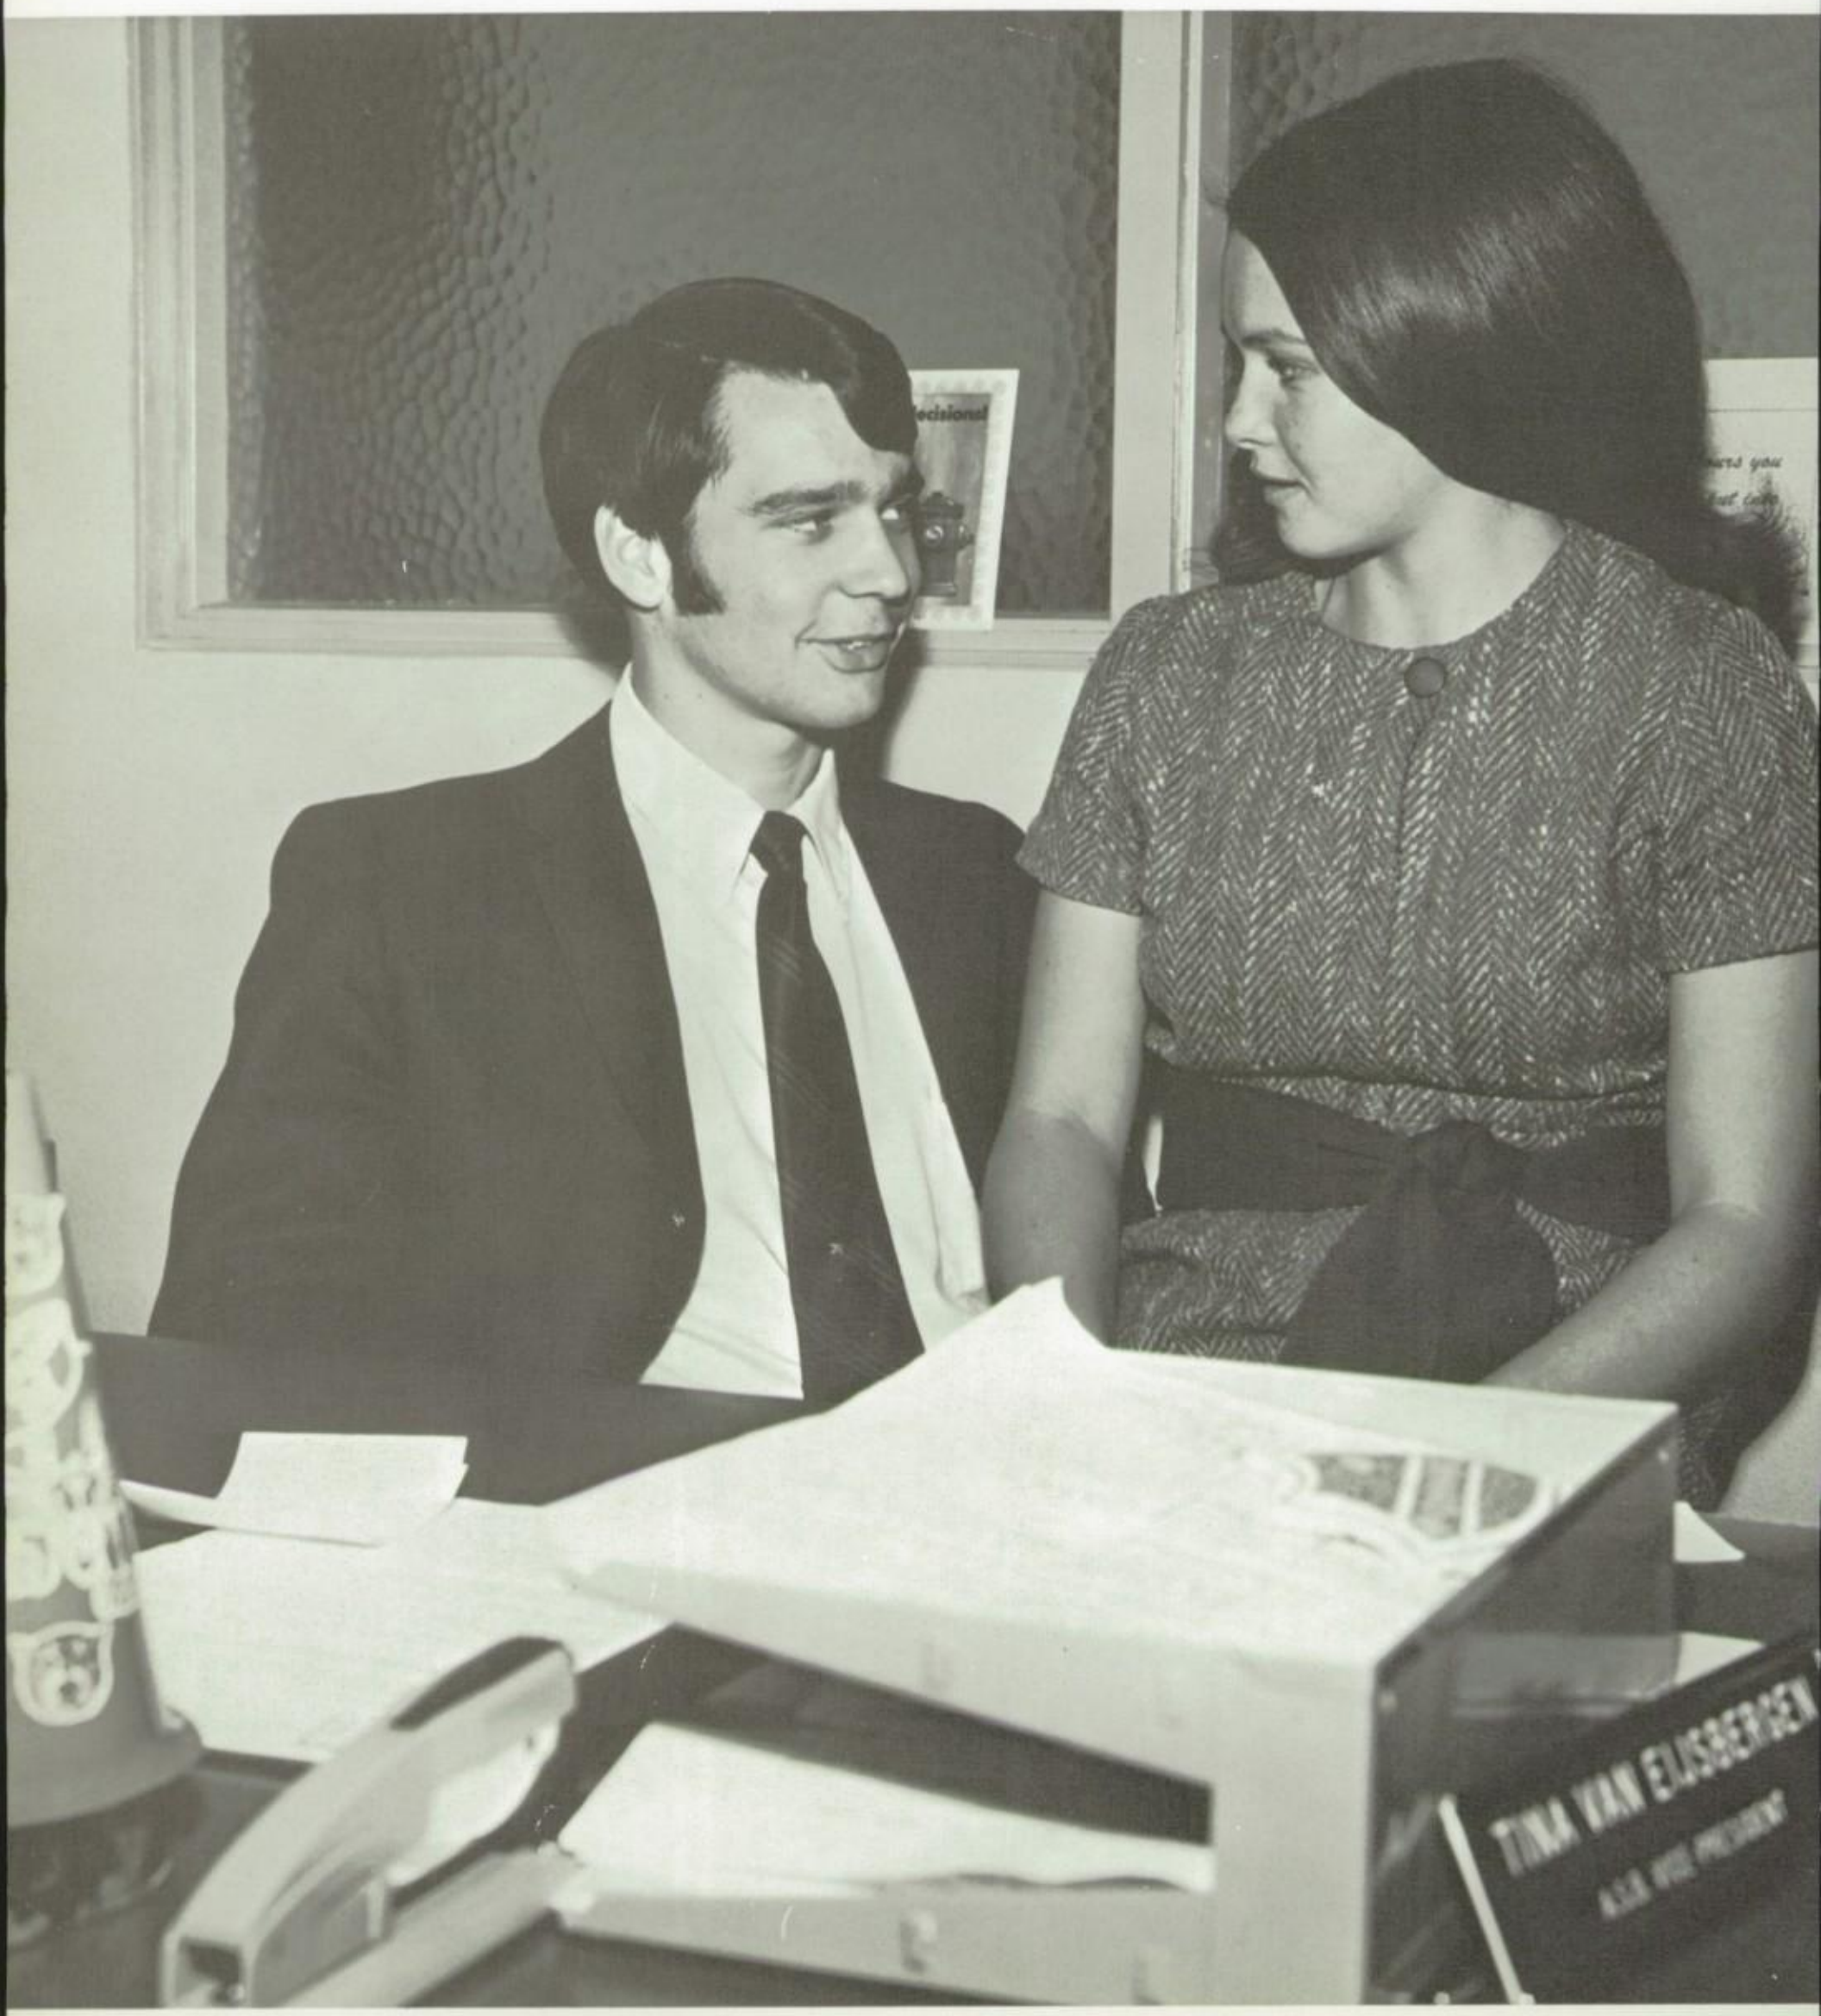
DRAGON

JOHN AND TINA



STRICTLY BUSINESS?

He was the intense one with black hair, zipping about campus with black hair flying, papers in hand and mind preoccupied, this our ASB President, John Grover. Even before school opened in September, we could see John working frantically over some last minute problem, then rushing, always rushing, off to football practice. But he had time for a flashing "hi" or as an active member of Interact Club and Monarcs.

Wonderfully, he led the 1969-70 ASB to meet many of its goals. John found the time to set up Open Campus for the Seniors, a Powder Puff football game, and a school mixer. The Man was a Doer. He was definitely dedicated to his job. He found the time to go out, talk to people and find out what was needed, then DO IT!

John's partner in this chaotic year was Vice-President Tina Van Eijsbergen, a Gold Sealer who racked up the grades and still managed to carry her share of the ASB work.

She saw to it that the House ran smoothly, presiding over all the meetings in a way only Tina could. Her other job was to assist John in any way possible. Though Tina was rarely in on the original idea, she could be found along the way smoothing out the problems or just inspiring John.

Both John and Tina could be found almost anywhere on campus actively participating. And both can be described as "outstanding in every way." They were leaders, participants, diligent students, and, best of all, friends.

ISSUES SETTLED BY HOUSE AND JUSTICES

Helping the House to keep within the boundaries of the MHS constitution this year were Justices Vicki Harris, Joylene Harvey, and Eric Snow. After becoming well acquainted with the constitution last summer, the Justices became Tina's and John's right arms on legal matters. They were usually appointed and put in charge of the various committees within the House. One of their main tasks was the complete revision of the constitution. Chief justice Vicki led Justices Joylene and Eric to the completion of all assigned tasks, making the MHS Government run more smoothly than in past years.

NEW IDEAS TAKE

Innovation appeared to be the motto for the Girls' League, headed this year by Chris Wilson. Taking careful pains to give many traditions a new look, the girls spent endless hours planning events. Highlighting the year was the annual Co-Ed, this year for the first time held off school grounds. The site for "Love is Blue" was the Monrovia Women's Club.

Cabinet members were often pressed with decorations for Mother-Daughter, Father-Daughter banquets. The girls also were given a chance to try their hand at breakfast cookery with an early morning pancake breakfast.

Bringing a busy year to a close was the annual Girls' League assembly and breakfast.

Girls' League sponsors were Mrs. Patricia Grotewiel and Miss Rosemary Taggart. League officers included Chris Wilson, Renee Zeller, Patty Everett and Judy Bailey.

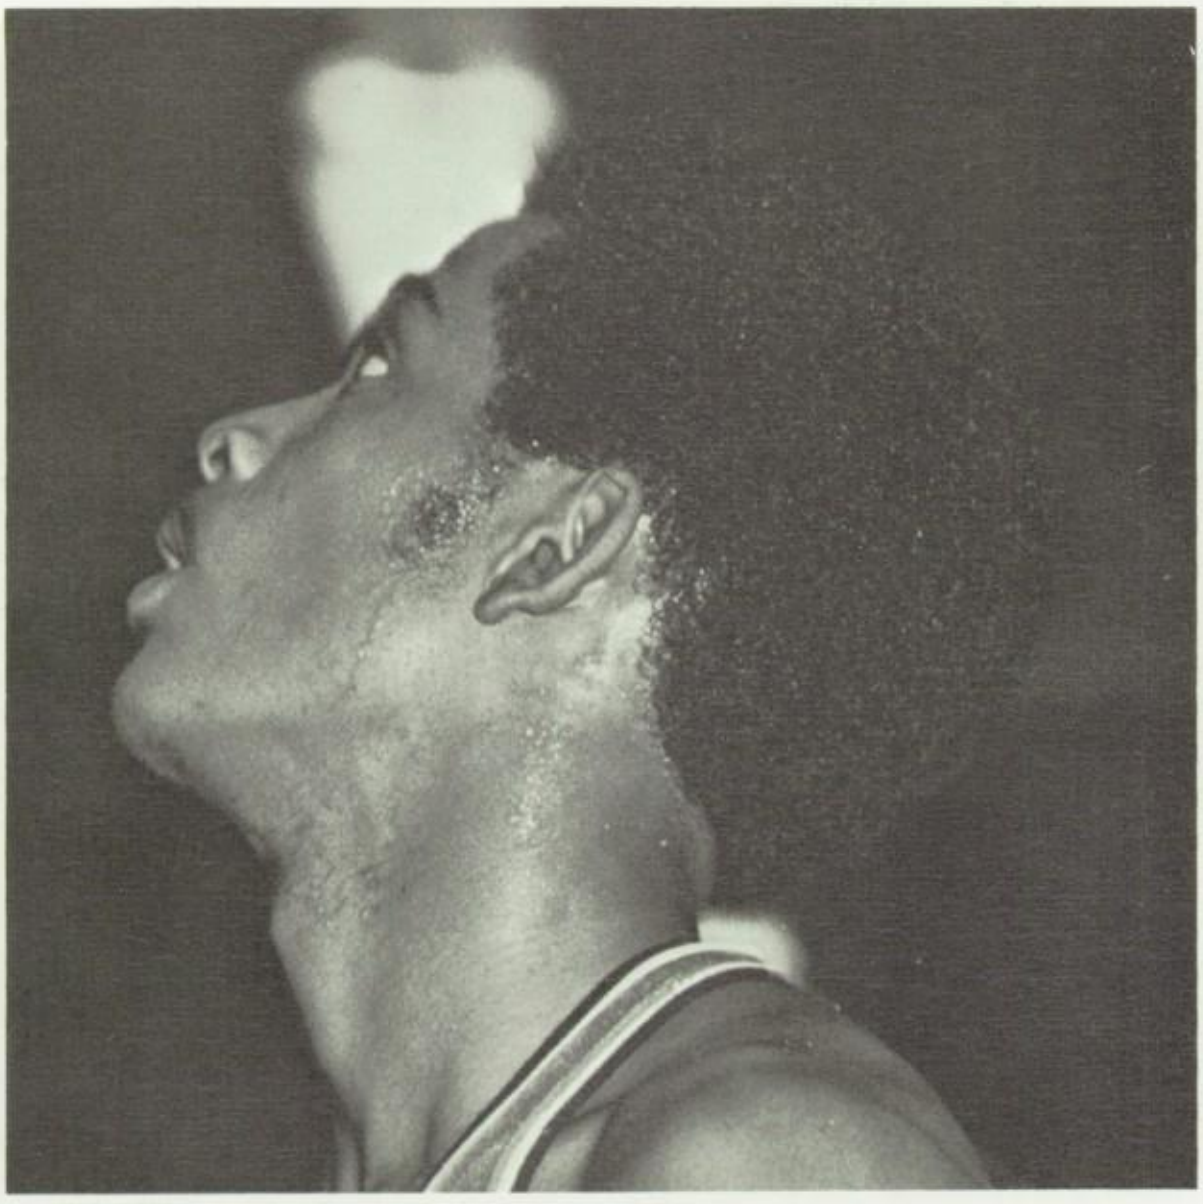
LEAGUES THROUGH BUSY YEAR



John Parker, President

Heading Boys' League this year was John Parker, who complemented his office with an outstanding record as basketball star. Working with the Girls' League, the boys co-sponsored the Freshman Orientation. In an effort to revitalize previous orientations, the school oriented both freshmen boys and girls on the same day in the form of a swim party.

Freshmen were brought to the Auditorium for a brief introduction to school personnel and student leaders and then allowed to swim and view a modified Wildcat Tales, a program of school slides. Then they were treated to hot dogs, potato chips and ice cream in the cafeteria.

Other Boys' League activities included three successful sports' awards banquets.

Sponsoring the Boys' League was Mr. Al Katich, whose officers were Parker and Keith Lowden.

Cheer Leaders Fuel for Green Machine

Dan Bagwell, Head Cheer Leader

Dan Bagwell tried to outyell the spirited Pep Squad as Head Cheer Leader. Where the team went, there were our Cheer Leaders trying to bring on the spirit with fantastic somersaults. Games were made more interesting as we watched our Cheer Leaders in action. We find them here displaying some of their rhythmic grace and unbeatable form. THAT'S OKAY, GANG: WE KNOW YOU GOT HEART. A few minutes later we find Jim Shannon flat on his back, Dan Bagwell standing on his head, Terri Teegarden and Mary Jo Gaudio in embarrassing positions -- and Bill Minteer still on top!

Spirited Group Of Song Leaders Vital At Games

Glued on smiles, thunder of clapping hands -- these were signs that the Monrovia Song Leaders had arrived. Attending our teams' games, the Song Leaders tried desperately to raise spirited cries.

We were able to corner OUR Song Leaders long enough for them to strike a pose before returning to their busy schedules. Here on our much spirited Pep Stage we find Song Leaders Jean Sawada, Linette Romin, Head Song Leader Kathie Hopper, Joan Evans, Carolyn Trevor and Janet Morishita taking a breather.

Kathie Hopper, Head Song Leader

Teddy,
He was so

God.
Peter Cave

Teddy Pendergrass

If April is the cruelest month, then surely May must be the most chaotic at MHS. In the spring of '69, prior to actual elections, a day burst when the bleachers filled, contenders for office went slightly mad, and stunts spilled out in front of the stands.

To the right, **Tiny Tina** doesn't tip-toe through the tulips but rides in a "truck" to the ASB vice-presidency while **Linda Jenkins** fires at Arcadia Apaches a couple of miles away.

Hoisted on the powerful shoulders of **Bob** "Hangers" **Shephard** and friends, Aspirant to the Presidency **John Grover** wards off **Jenkins' bullets, Tina's** tulips, and a victory by **Marugg.**

Horsing around as usual, **Sharon Melton** does her bit to capture audience votes, as does **Carolyn Trevor,** both of them striving for song leader. **Terri Teegarden** and Snoopy charge on to cheer leading victory.

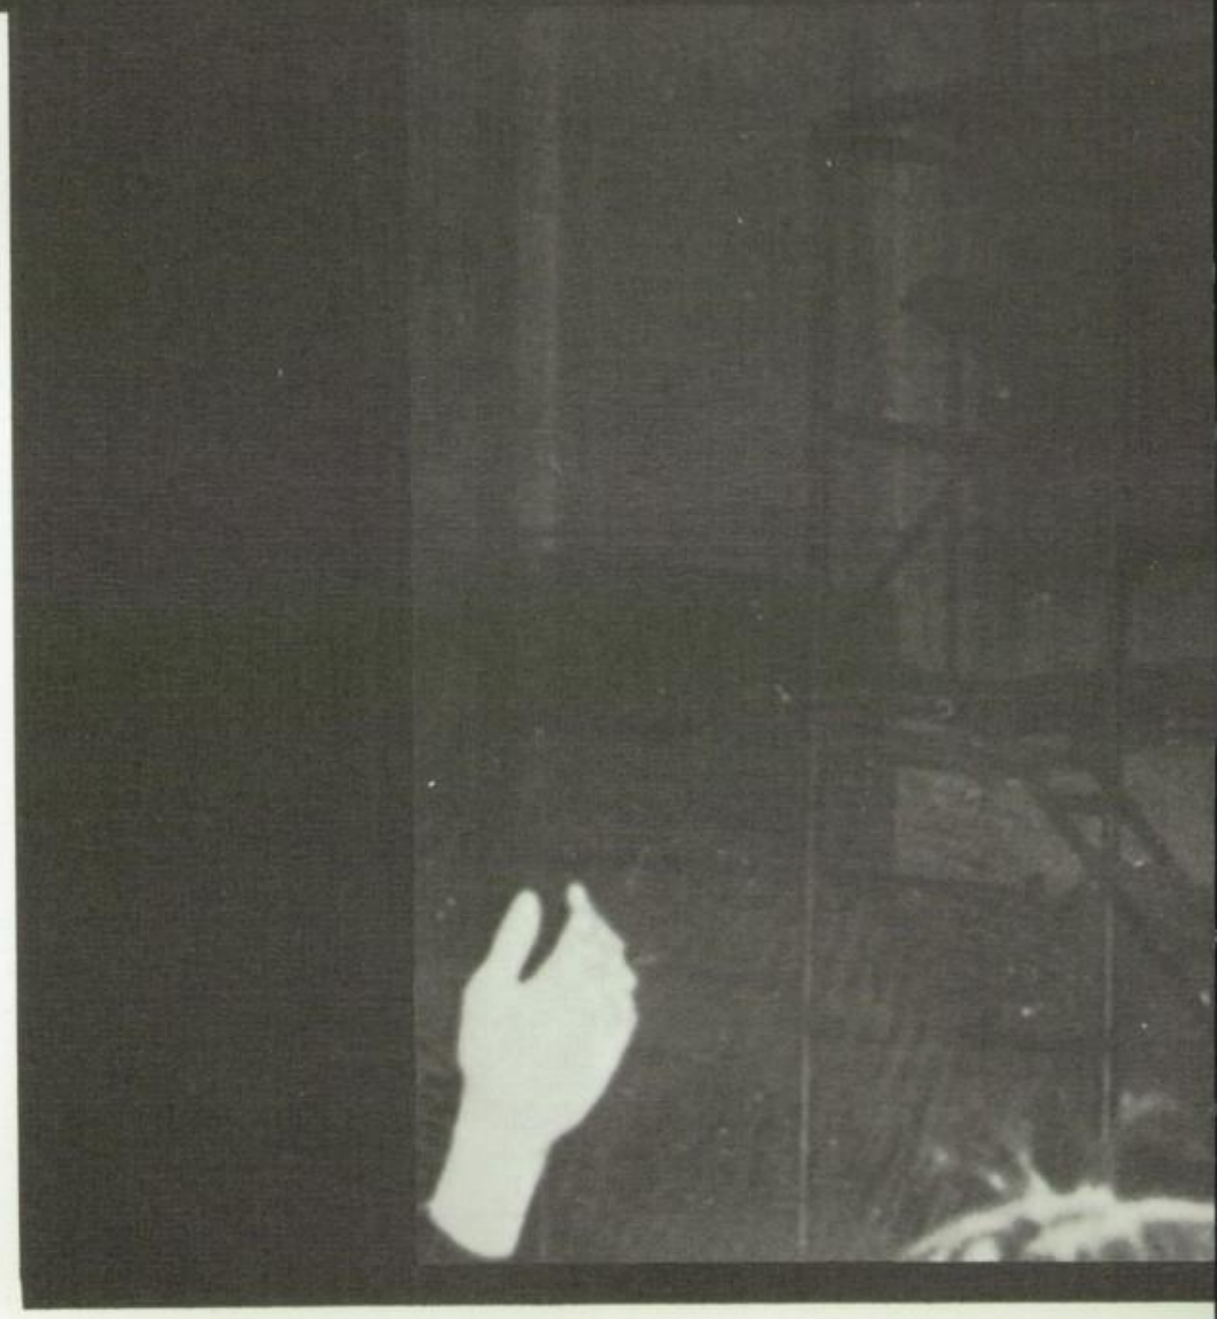
Osbrink and Company--All right, **Jean**--decide to shuck the parade and follow the yellow brick road for an Ozian picnic.

Joan Evans prefers the Disney road and a little Mouseketeer. The dudes prefer Joan.

Even on a hot May day, **Janet Morishita** enjoys a bike ride--just as long as friend Mabel is along.

Then there was **Julie . . . Julie . . . Julie?**

May Stunts Set Tone for Elections



ELECTION DANCE

After weeks of hard work and many tears, the height of election fever was finally reached last May; the Election Dance burst into reality. Participants felt different that tortured evening, with their stomachs jumping, their toes sweating. All they wanted to do was to make it though that evening.

Final festivities seemed to drag on forever. But finally the all important results were announced. After the stalling, the moment arrived when the microphone blasted out the winners... and then it was all over.

The gym was quickly abandoned. All walked out into the cold night, both winners and losers, all of them discussing the evening's surprises, a few of them simply holding down their heads and holding close to their hearts the memories of that trying time.

There would be hard work ahead.
It was all over...yet just the beginning.

EXPECTATIONS AND TEARS

To most students the Assembly on May 22, 1969, meant shorter periods or an exciting program, but to twenty Junior girls it meant a dream come true. This was the day the Madquins announced their "little sisters" at the Girls' League Assembly.

The emotion-filled program was met with screams of surprise, tears of joy, and hugs of congratulations.

The long awaited moment finally came as the twenty-one Madquins filed on stage. One by one, each Senior girl received her envelope containing the name of her new Madquin and excitedly tore it open. A squeal of delight echoed throughout the auditorium following the announcement of each name. The newly named Madquin rushed forward to have her sweater flung around her shoulders by her new Madquin sister.

At the end of the Assembly, there were twenty new Madquins experiencing one of the highest honors and happiest moments at Monrovia High.

KAY DALBEC REIGNS AS QUEEN

With bleachers filled to capacity, bands thumping, fog hovering low and cold, Homecoming 1969-70 burst into excitement early in the November evening.

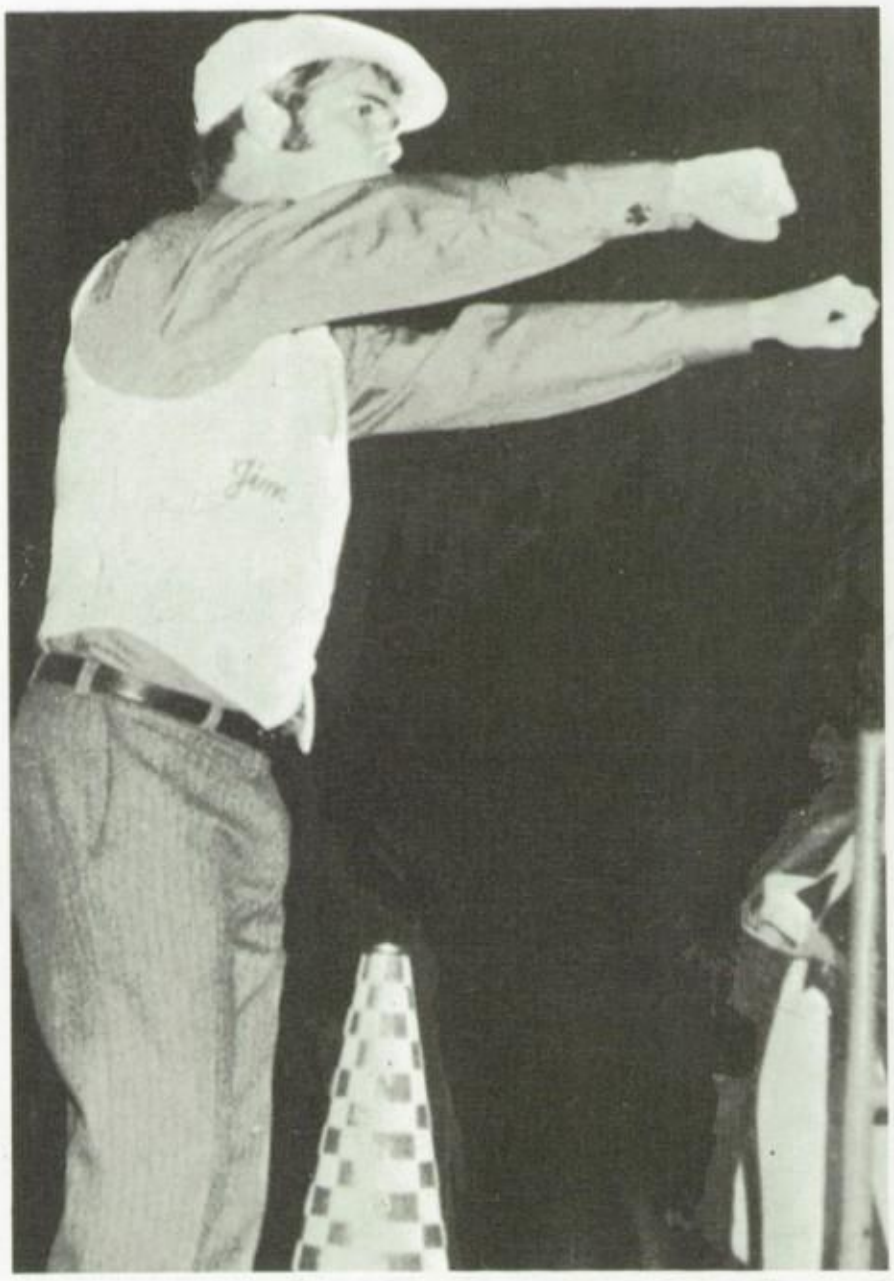
Monrovia High's Homecoming introduced a new tradition this school year. Our beauty's title was changed from Miss Varsity to Homecoming Queen of 1969-70.

With little show of emotion but obviously thrilled with her position, a calm Kay stepped forward to be crowned and graciously presided over the Homecoming events.

Kay's escort and man about town was Gary Roach. Both were wrapped up not only in each other but in the evening's excitement.

The choice of Queen was no surprise to the Student Body, for Kay had been a past Homecoming Princess and wore her new honor with poise and assurance.

HOMECOMING—VICTORY,



PARADE, DANCE

A 43-21 victory over Mark Keppel added to the excitement and festivities of the 1969-70 Homecoming. Expertly driven convertibles (plus one red fire engine) were filled with spirit, beauty, and warm greetings for the traditional parade before the game.

Half time activities included the introduction of the twelve princesses and their escorts. Spotlighting the program was the long awaited announcement of the Homecoming Queen, chosen from the three Senior princesses.

Immediately following the game, students eagerly filed into the gymnasium for the Homecoming Dance, "A Time for US." Students stepped back to the sidelines as the twelve "royal couples" enjoyed having the floor to themselves during the traditional "Queen's Dance."

Marie Short, Ingrid Olson Supervise Job of Publicizing School Events

Marie Short and **Ingrid Olson,** Co-heads of Publicity.

Promoting school activities in a rash of green letters was the Publicity Commission, under the direction of Marie Short and Ingrid Olson. The never-failing group spent many dedicated hours working on the publicity for football, water polo, basketball, wrestling, and track events. The Commission could be found painting posters after school and hanging the announcements in the early morning before school. Thanks to efforts of the Publicity. Commission, the student body was kept aware of the important happenings around school.

"Green Tornadoes" Source of Uproar

Taking an active part in all sports events this year were Roy Lunel and Jane Platt, Co-heads of Pep Commission. The two "green tornadoes" did their best to discourage apathy and build enthusiasm.

Roy and Jane brought about many innovations in the form of pep rallies. Pie eating and jello feasting contests provided students with snack time enjoyment.

When it came down to business, the Pep Commissioners knew how to fulfill their job. Taking an interest in bettering student spirit, the Commission spent the year selling buttons and megaphones.

Displaying their new umbrellas, the girls carried their "lime green Monrovia" at the Hawthorne and Long Beach Band Reviews and at numerous parades. Banners were under the sponsorship of Miss Beverly Stunden.

Pep Cats March Victorious

Marching down the football field to the rythm of "Peter Gun" or sitting in the stands cheering Monrovia's varsity teams, MHS' Pep Cats were a welcome addition. They found their year sprinkled with many things to do, from parades to halftime shows. They appeared in the Azusa Golden Days Parade in October, the Hawthorne Band Review (they received second place), the West Arcadia Band Review, the Arroyo Festival, and the Monrovia Day Parade. In December, the Pep Cats escorted Santa Clause in the Monrovia Christmas Parade.

Sparkling with enthusiasm and helping with arousing spirit, this year's two majorettes, Beth Johnson and Alice Smith, pleased many an audience. Uniforms glittering and batons twirling, Beth and Alice gleamed during all of the games, parades, and competition throughout the year.

Miss Beverly Stunden advised the majorettes this year, offering advice and encouragement when needed. Awing every audience everywhere, the girls gaily performed.

"Arsenic and Old Lace" Highlights Thespian Year

Highlighting the Thespians' year was the presentation of the annual school play, "Arsenic and Old Lace", in November. Gina Holt, student director, and Cindy Perry, stage manager, under the supervision of Mrs. Anna Mae Conyers, Mr. Mac McIntosh, and Mr. Paul Starr, along with a large cast, produced a wonderfully amusing comedy to an audience of approximately 1600. All of the hard work and long hours put into its production showed a fantastic paly at its presentation.

Also in November, the Thespians took part in the Veterans Day Program. Once a quarter, Thespians presented their own "Skits and Bits". They presented "The Littlest Angel" in the Christmas Pageant. They also participated in the spring Senior Play.

Making it possible for foreign exchange students to visit MHS next year, the AFS Commission began money raising plans early in the year. A "Hike for AFS" and the selling of shares during AFS Week were only a couple events accomplished by the Commission. Disagreeing with the slogan of "All work and no play", parties and a pot luck dinner were enjoyed by the members.

The fifty-four member Commission was led under the direction of Co-Heads Jill Grubbs and John Gould.

The main goal of AFS this year was to bridge the gap among nations by helping people to understand different cultures and ways of life.

Latin Club Lives Up to Traditions in One of Last Years

Joetta Mewes, Wendy Bourdon, Frances Serjeant, and Karen Kiefer.

Latin Club, since its beginning years ago, has been a club full of traditions, most of them being left by the Romans. Fondly known by members as Senatus. Populusque Romanus, Latin Club sold candy apples during football season and had a really wild dog wash. This being one of its last years in existence, because of the fading out of Latin at MHS, Latin Club still carried on business and pleasure in the traditional Roman flare.

Frances Serjeant played the role of dictator (president), and Wendy Bourdon assisted her as vice-president, Karen Kiefer was in charge of finances, Joettea Mewes of secretarial duties, and Lorin Kiefer of publicizing all of its many activities. Mr. Jack Christopher, as always, was Latin Club's sponsor.

An innovation on the MHS campus this year was the creation of the Black Student Union. The organization once known as the Afro American Society, officially changed its name. Insuring the success of Black History Week, BSU members spent many hours making bulletin boards and arrangements for assemblies. The organization was responsible for bringing "Princess Alice" to Monrovia and providing students with one of the best assemblies of the year. Other BSU activities included selecting Mr. and Miss Soul each month. The group was under the direction of officers Mike Bullock, Sherman Galloway, and Linda Hawkins. Mr. Lewis Underwood was BSU sponsor.

Forensics Talk a Lot

One of the top speech teams of this area, the MHS branch of National Forensics, again this year showed what a lot of hard work and team unity can achieve. They managed to bring back trophies from each tournament they attended, from USC to Arizona State. The debators often forshadowed the coming of the team, when they debated the Fridays before the individual events Saturday.

Making and delivering speeches weren't the only activities of Forensics this year. They also had a Christmas party and various money-raising events.

Mr. Bud York was, as usual, coach of the speech team. Joannie Gholar was the star and President of the group, while Gayle Shier was Vice President. Making appearances throughout Southern California, MHS' Forensics helped again to put Monrovia on every map.

Modern Dance Entertains

Girls interested in dance had the opportunity to meet together in the form of a modern dance club. Exchanging ideas and helping each other perfect their talents, the girls experimented with a variety of music and routines.

Girls were entertained by members of Modern Dance at Christmas time, when they presented a program of yuletide dance. Members also produced a dance concert in the spring.

Volleyball, Basketball, Tennis By Circle M and Catskills

Equal rights for women were finally achieved on the Monrovia campus with the initiation of a girls intermural sports league. Under the coaching of Miss Mary Anne Ostovich, Circle M members could be found diligently practicing after school each day. Volleyball and basketball games were the major sports events they participated in.

Overseeing the Thursday afternoon practices was Circle M president, Connie Adams. Assisting Connie were the basketball co-captains, Missy Kendall and Cynthia Watson. Basketball managers were Robin Buckholtz and Terry Peterson.

Throughout the seasons, the girls kept a tremendous spirit due to the efforts of their coach, Miss Ostovich, to whom the majority of their success belongs.

Another aspect of the feline variety of sports was Catskills, coached by Mrs. Mary McKesson. The girls spend many afternoons preparing for matches and perfecting their tennis skills. The girls enjoyed many afternoon matches with surrounding schools. This year's Catskill president is Patty Everett.

Students wanting to take their place in MHS's music hall of fame often spend years practicing and preparing for Concert Choir I. For most, Concert II or Mixed Chorus is the first step. As a prerequisite to the "big time," these classes provided students with the opportunity to learn about music and singing.

Concert Choir II often joined Concert Choir I in many performances, such as the annual Forest Lawn program. The highlight of the music department's year was the Spring Concert in May, in which many students took part and which was under the direction of Mr. Chet Ullom.

Hospitality Commission, under the direction of Co-heads Stanna Kyne and Lynne Peterson, was responsible for selecting a senior girl each month as the "girl of the month". The Commission chose girls on the basis of leadership and contributions to the school.

Another aspect of the Commission was to let girls who've been absent for a long period of time know "someone" was thinking of them. Lynne and Stanna could often be found in the Attendance Office making a list of girls to send get-well notes to.

Keeping them busy the entire year was the "big sister, little sister" program. Hospitality members were responsible for helping new girls get acquainted.

Coheads of Grooming are **Carolyn Getzinger and Nancy Gullgren.**

Doing their best to promote better dress standards for MHS girls were the Co-heads of Grooming Commission Carolyn Getzinger and Nancy Gullgren. Heading the fifty member commission, they met monthly and chose girls from respective classes to be grooming girls of the month. This Girls' League sponsored group gave girls of classes other than Seniors an opportunity to be individually recognized.

SLOW START

—LOOK AGAIN

The Monrovia Wildcats, hampered by crucial injuries to John Parker, Wayne Nunnelly and Alex Elliot, were slow at hitting a winning streak. Their first game against Whittier was a game which showed the lack of unity on the team. Against Pasadena, the Cat defense held the Bulldogs scoreless in the first half, but Pasadena wore the Cats down and won, 20-0.

As the league started, the Cats were downed by CIF ranked Arroyo and were only one touchdown behind the scrambling Moors. The San Gabriel game was a toss-up and missed chance at the first win. The next week against Keppel, Wayne Nunnelly more than made up for the tie by scoring 25 points.

This inspired team went on to win the last three games: Rosemead 30-26, Arcadia 9-7, and El Monte 14-0. Much must be given to this courageous team who after losing four straight and tying one came back to win four straight.

Wayne Nunnelly was chosen Wildcat of the Year. Both Wayne and Bob Shephard were voted Most Valuable. Sylvester Hardy received Most Inspirational and Greg Allbee received Most Improved.

Special thanks this year go to Bob Damewood and Lou Underwood who were a part of this winning team as they encouraged and coached players.

Knights, Moors Dine on Cat Fish

A little of the Wildcat's own medicine was fed to them on October 3 as Monrovia came up against CIF ranked Arroyo. Chuch Hiroto outran the Cats, scoring two touchdowns and passing for four others.

Bob Shephard was unable to generate any attack against the knights as their defense held and forced Monrovia to turn over the ball. These turnovers, four interceptions and three fumbles beat the Cats. Our score came on a short pass from Shephard to Alex Elliot, who outdistanced the Knight defenders to the goal line.

Three fourth-quarter interceptions by the Moors killed the Cats' bid for their first win. The Moors scored first, but Monrovia came back with two runs of 26 and 39 yards by Dwayne Sims and a scoring run of five yards by Wayne Nunnelly. The Moors scored another touchdown, but the Cats matched their touchdown with a 28 yard run by Nunnelly to leave the score at 14-12, Alhambra, at half time.

In the third period, Sims put the Cats ahead 20-14. However, the Moors returned favors doubly with two touchdowns. The Cats weren't able to keep up with the Moors as they scored the winning TD on an interception.

Sherman Galloway and **Alex Elliot** defend their goal.

KEPPEL TOPPLED, 43-21

The Cats won their first game, a big one over Keppel. Wayne Nunnelly led the ground attack while Bob Shephard and Sylvester Hardy combined to lead the air attack. Nunnelly made 25 points on three touchdowns, five pat kicks, and a two point conversion run. Shephard and Hardy combined for two TD's; Alex Elliot contributed the remaining touchdown.

John Parker's return marked the Cat's first win and the Aztecs' first loss. A good offense and quite a few key defensive plays combined to run over the Aztecs' quarterback Tiberi.

Nunnelly's 130 yards paced the game. Shephard completed 10 of 13 passes for 145 yards, 91 of which were completed to Sylvester Hardy.

Joe Ostrye charges a would-be-tackler.

Halfback **Dwayne Sims** appears to be tackled.

MATADORS TIED, 14-14

Fumbles and interceptions tied the Wildcat-Matador game. At the closing of the first quarter, a Jon Love interception of a Shephard pass setup San Gabriel's first touchdown. A play later, Love picked off another pass, but the Cat defense stopped this drive.

The Cats' first score resulted from a San Gabriel fumble in Matador territory. Rick Zimmerman on fourth and 10, handed off to Nunnelly, who went in to score from the thirty.

A fumbled snap on a punt set up San Gabriel's next score. At the close of the third quarter, the score was 14-7, San Gabriel. The Wildcat's last touchdown came on a 68 yard drive with Shephard hitting Joe Ostrye in the end zone. The Cats' last drive after the touchdown was stilled by an interception on the Matador 26.

PANTHER'S CLOSE

30-26

The first score came on a one yard plunge by Wayne Nunnelly in the first quarter. The Cat defense stopped the Panthers, returning the ball to the offense. A 62 yard drive was climaxed by a 5 yard scramble by Nunnelly to make the score 14-0. The Panthers scored their first touchdown on a 42 yard run. At the end of the half, Nunnelly kicked a field goal to leave the score at 17-6

In the second half, Nunnelly blocked a kick and lineman Greg Allbee picked the ball up and scored on a half field romp. Sylvester Hardy scored the remaining touchdown on a 16 yard pass play.

On a Wildcat fumble, Rosemead scored with 16 seconds remaining. An onside kick was successful, and with 13 seconds left, Trujillo rolled right, reversed and scored on a 53 yard run. Monrovia won 30-26.

WAYNE'S KICK WINS, 9-7

Monrovia met Arcadia on a muddy Wildcat field to fight a defensive war. The first score didn't come until late in the first half when the Cats scored on a 43 yard drive. Wayne Nunnelly scored on the third try but was unable to make the PAT.

Arcadia scored in the third quarter on a 5 play, 60 yard drive. This made the score 7-6 in favor of Arcadia. Twice Monrovia penetrated deep into Arcadia territory finally to score on the last drive. Wayne Nunnelly kicked a field goal with Rick Zimmerman holding. The final score was 9-7. Skip Allbee and John Grover were cited on defense.

EL MONTE BLANKED

In a defensive game, the Cats finished out their season with a 4-2-1 record to place third in the Pacific League.

In the game Monrovia scored first on an 88 yard drive which ended in a Bob Shephard aerial to Sylvester Hardy on the seven. Hardy eluded a tackler and scored. The next Cat TD came on a dive from the one yard line by Wayne Nunnelly. Shephard passed to Jim Edwards for the two point conversion to end the scoring, 14-0 Monrovia. The defense held Tim Moreau, El Monte's quarterback, to a minus 6 yards. Moreau had been second only to Nunnelly in points scored.

JVs WIN PACIFIC LEAGUE

Led by Thunder and Lightning, Coach Burton's JV team won the Pacific League title with a 5-1-1 won-loss. The JV's Thunder and Lightning are Dennis Mency and Larry Jones. They led the team to a winning season to reward Paul Burton's fine coaching.

The JV's had only one loss and one tie, the tie being to San Gabriel. They won the only league title of the Wildcat teams.

Both Mency and Jones were named Most Valuable and Captains. Mike Sarafian was named Most Inspirational. Eric Snow, who moved up from Bees, was voted Most Improved.

B's and C's Unimpressive, Inexperienced

The Cees were also hampered by their young and inexperienced players. Coach Al Katich led the team to a 2-7 overall record, dropping all of the season games. Called out as being outstanding players were Rick Price, Marty Leadman, Ed De Rosa, Mark Gibble, and Tom Bird.

The team just did not seem to function well together, but there should be some good players for the future Monrovia High football teams.

The Bees were hindered by their lack of experience. Max Glassbrook and Tom Holman as co-captains led the Bees to a 1-6 record which would have been better except for two close losses. Glassbrook as linebacker, George Bato on offense and defense, Eddie Lee and Bob Martinez, both offense, were named as outstanding players. Also named were offensive and defensive linemen Larry Stavroulakis and Bob Armas.

Most valuable was Max Glassbrook with Brad Morisette as Most Inspirational and Pat Ryan as Most Improved.

This year's Cross Country League was dominated by the Knights from Arroyo who won all three divisions. Our Varsity and Junior Varsity were both winless this season but placed fourth in the League, but the Frosh-Soph team posted a 3-4 record. They improved throughout the season.

Robert Miller, last year's record holder, and Wayne Derrick were the Varsity's outstanding runners. On the Frosh-Soph team there were Dennis Sullivan, Barry Biggle, both freshman, and Gordon Kruckeberg. There was one Senior out of 25 team members which should prove to the benefit of next year's teams.

VARSITY WATER POLO TAKES LEAGUE

Concentrating this year on the Varsity team, Coach Vern Conrad came up with a league winning combination. Led by Pat Bishop, Bill Stanton, Dave Schuil and Steve Gossett, the A water polo team went to the second round of CIF play where they were beaten 11 to 3 by a tough Fullerton squad. In the first round, the Catfish had beaten California 8-7 in overtime.

The Varsity posted a 13-4 overall record, being 5-0 in league play. Los Altos placed second behind Monrovia. Pat Bishop was selected Valley League Player of the Year and second string all-CIF. Pat scored 88 goals, 10 more than the total of the opposition's goals. Bill Stanton was chosen first string all league forward and was the Cat's second high scorer with 45 goals. Dave Schuil was chosen first string all-league goalie. Pat, Bill and Dave were all Captains. Steve Gossett was cited as being the best defensive player as well as being chosen second string all-league.

Brian Berriman and Steve Silcott were Most Improved; Steve Gossett, Best Defensive; Dave Schuil, Most Inspirational. Pat Bishop and Bill Stanton were chosen Co-Players of the Year.

STILLSON BACK WITH WILDCATS; TEAM TAKES PARAMOUNT TOURNAMENT

With the return of Tony Stillson as coach for the Wildcats, the team was again on its winning ways. The Wildcats faced a tough pre-league schedule, opening against the defending CIF champions and holders of a sixty game plus winning streak—the Compton Tarbabes. The 'Cats lost in a thriller by one point. Next the 'Cats faced CIF powers Villa Park, Sunny Hills, and Whittier.

The Wildcats entered the Paramount Tournament and powered their way to the finals where they defeated Whittier for the championship. John Parker and Dennis Willet were named to the All-tourney team and Junior Willie Jackson was named the Most Valuable Player of the Tourney. After tough competition in the famed Covina (32 teams) Tournament, the 'Cats started to prepare for the tough league which lay ahead of them.

CLEVER

PACIFIC LEAGUE CHAMPS AGAIN!

The Pacific League was one of the most balanced leagues in the CIF with Monrovia, Arroyo, El Monte, and Arcadia named as favorites. Mark Keppel, Alhambra, San Gabriel and Rosemead also had teams capable of beating anyone around.

The 'Cats dropped a tough one to El Monte in their opening league game. The teams played even except for a weak third quarter by Monrovia and that was the difference.

The 'Cats came back strong with impressive wins over Keppel and San Gabriel as they prepared for the first Big Game with Arcadia. Monrovia took it to the Apaches on their own floor and put a dent in the Apaches' previously unbeaten league record. The 'Cats were then in second place with a 3-1 record, behind El Monte.

Willie Jackson and Larry VanderDoes were the starting guards for the 'Cats. Willie was a scoring leader for the Wildcats and was named to second team all-league. Co-captain Larry was a tenacious defensive player and kept the 'Cats drive going with his hustle. Guards Dwayne Sims and Darrell Carr were vital to the 'Cats in many games. Walter Ferris, Jim Edwards, Marty Flannes, Ted Bourne, and Roger Rasmussen were always reliable in fill-in roles.

Tough defense was the key to the Wildcats' success, with the 'Cats holding their opponents to 50 points a game.

At Alhambra the 'Cats were once again the victim of a thriller, losing to the Moors by two points. Seeming to take fire after the Alhambra game that was plagued by mistakes, the Wildcats started what was to become an eight game winning streak. After a victory over a fired Rosemead team, the 'Cats beat Arroyo in a one point thriller. Next, Monrovia faced El Monte and knocked them out of first place with a tremendous team effort.

After handling Keppel and San Gabriel for a second time, the 'Cats got up for the second Big Game with Arcadia. This time the outcome was not in doubt from the start. The Wildcats received fantastic efforts from everyone as the second string finished up the job for a 60-47 win. The Moors were the next victims of the 'Cats as Monrovia made up for the loss it suffered earlier at Alhambra. The 'Cats clinched the league with a victory at Rosemead and once again Monrovia was Pacific League Champs. The Wildcats lost their last game at Arroyo against a sky high Arroyo team. The game was another thriller with Monrovia losing by one point in the final seconds.

The 'Cats were led by three year letterman John Parker. Co-captain John was a standout on both defense and offense and was named the Pacific League's Most Valuable Player. Dennis Willet, three year varsity man, was consistently good on the boards and in scoring. Bob Shephard was the third front line man. Shep was a strong rebounder and tough defensive player.

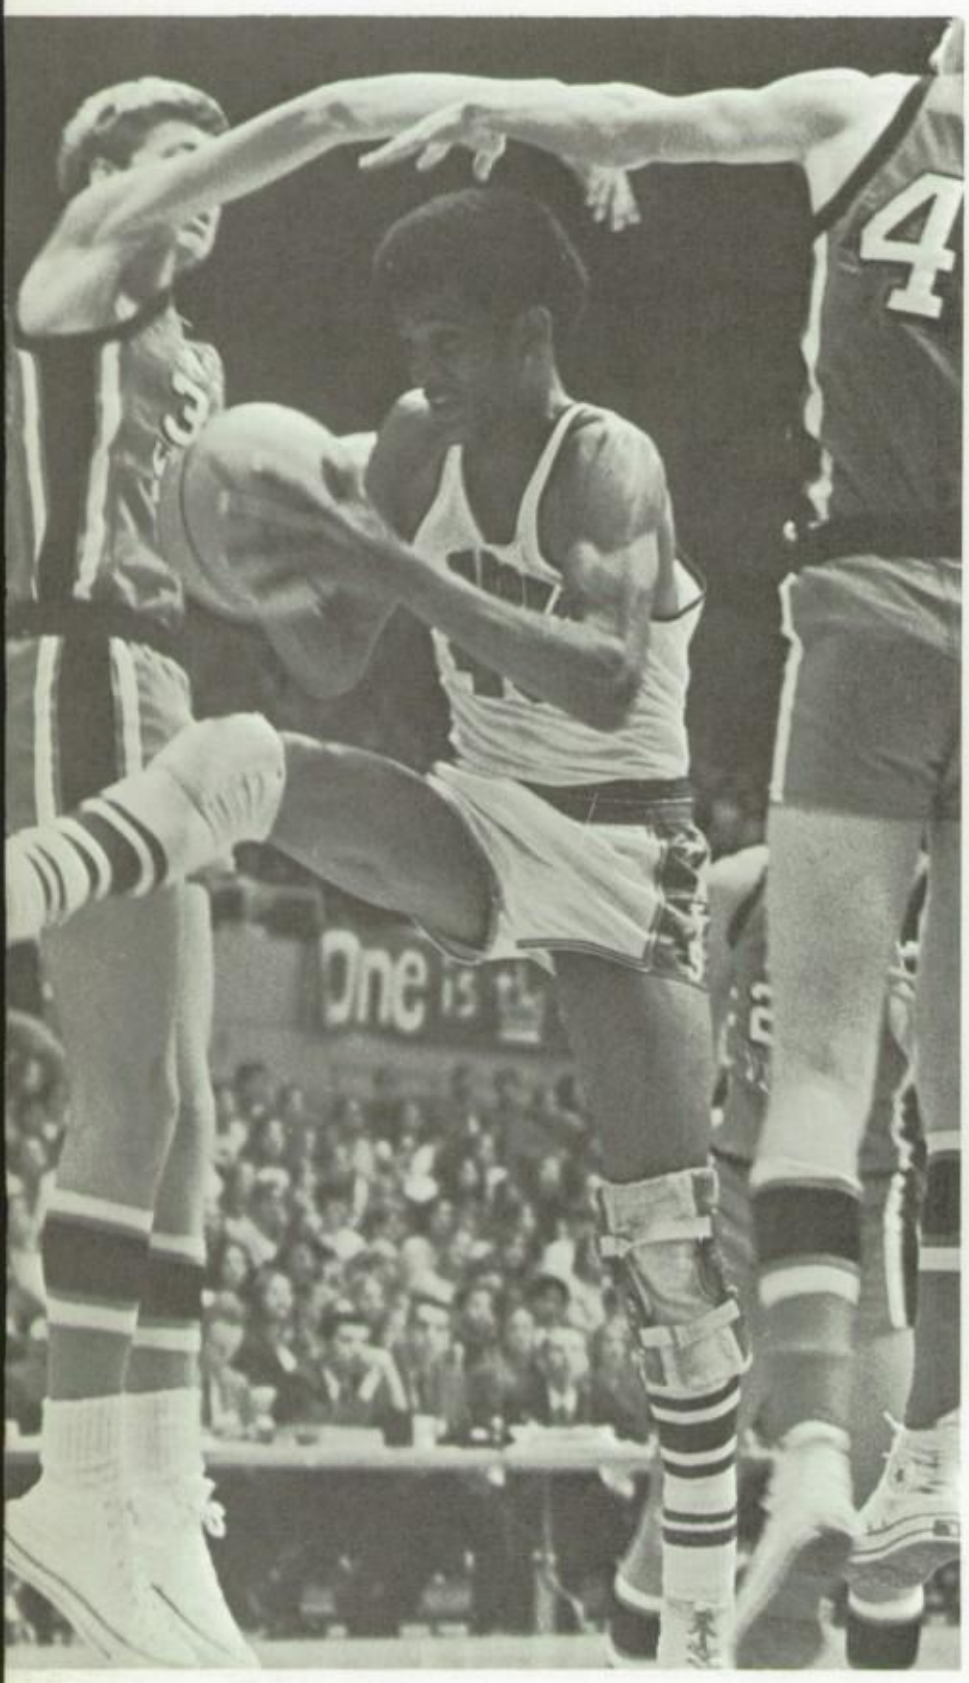
CATS' TRAIL TO GLORY



THEY WEREN'T SUPPOSED TO BE THERE; THEY WEREN'T SUPPOSED TO HAVE WON, BUT THEY WERE THERE WITH ALL THEIR GREAT WILDCAT PRIDE. This year's 'Cats believed that they could go all the way to the finals, and they did. The path which they took to the finals was in true Wildcat tradition.

From the beginning the 'Cats had it tough and had to make their own breaks. They drew fifth ranked Crescenta Valley as their first round opponent. Monrovia met the Falcons at Citrus and the battle was on. the 'Cats trailed throughout the first half and went as much as 14 down in the fourth quarter. John Parker then exploded and inspired the 'Cats, who made up the deficit and won by a single point in the final seconds, 43-42.

The stage was set. the 'Cats' supporters knew something big was in the making. Monrovia met fourth ranked Loyola at Citrus for the second round game. Once again Tony Stillson coached his team to a dream win over a physically bigger team. The scoreboard read Monrovia 55, Loyola 53. The third round foe was Westminister. Next the 'Cats travelled to the Long Beach Arena to defeat the Lions, who were rated as the favorites. The 'Cats led all the way' the score was Monrovia 54, Westminster 49.

On to the Sports Arena and the Semi-finals. In the semis the 'Cats met second ranked Palos Verdes with its 6'5" average players. The 'Cats were better than average, and with fantastic team and individual efforts held on to an 11 point half time lead for another thrilling win, 53-52.

The Finals. The very next night Monrovia met third ranked Millikan for the championship of the AAAA Division. Monrovia was down from the start and could not get their potent offense going. After missing their first ten shots, the 'Cats were pretty far down but never gave up, making several runs at the Rams during the course of the game. Playing their last game for the 'Cats were Ted Bourne, Darrell Carr, Jim Edwards, Walter Ferris, Marty Flannes, John Parker, Dwayne Sims, Larry VanderDoes, and Dennis Willett. No one who witnessed their path to glory will ever forget the pride that they had and made us all feel.

Coach **Skelton** encourages his JV team.

JVEES HAVE SLOW SEASON

The Jvs were hampered all season by the lack of height. They had a good pre-season, winning the Western Tournament. After losing Roger Rasmussan to Varsity, the team was without their big gun. Lee Biddle and Rick Zook were named as the steady basketball players. They performed consistently all year. Paul Peterson and Max Glassbrook were also named as occasional contributors to the team's success. Daniels greatly improved near the end of the season.

CEES AND DEES TAKE LEAGUE

Coach Jerry Simmons led the Cee team to 21-2 season record and 13-1 league record. They won the Lakewood Cee Tournament 45-33 against Millikan Long Beach who finished 14-0 in their league.

Jack Barnett and A.J. Williams were Co-Captains. Marvin Holmes was high scorer and Todd Hooks was the high rebounder. This was the first Cee champs in eight years with a strong group of freshmen.

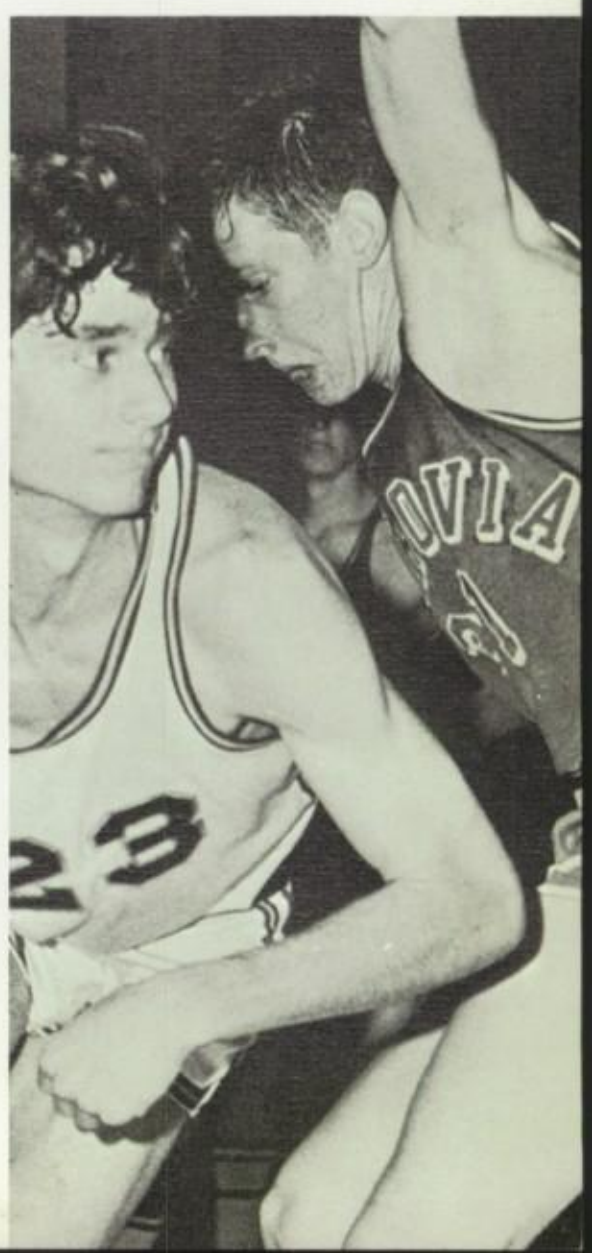
Coach Bob Damewood led the Dees to the first D championship since 1961. The Dees had good offense and good defense—a good balance. The team came in second in the San Gabriel D Tournament, losing to Alhambra by one point in overtime. Ricky Price, Brad Young, Lonnie Hawthorne, J.J. Surryogin and Bobby Ponce were named as outstanding players. They smoked on Arcadia, both times. The Dees were also a hot shooting team, scoring 66 in one game.

The Cees show tough team defense as they close in on an opponent.

Rick Zook has good position as he takes the baseline away from his man.

BEES FINISH STRONG

A short pre-season and an inxperienced coach led to a poor first round record, 1-5. The team improved greatly in the second round, finishing 5-7 in the league with a 14-0 record. The outstanding players were Don Miller, guard; Doug Jenkins, floor leader; and Joel Kyne, leading rebounder. The other starters were Cul Daniels, Bill Crawford and Don Vance.



ROW ONE: Rex Bird, Ed Fredrickson, Eric Snow, Robert Kisner, Willie Allbee, Tom Bird, Mark Gibbel. **ROW TWO:** Dale Jones, Greg Bettridge, John Girou, Steve Vance, Mike Mountjoy, Tom Grubb, Versal Lindsay. **ROW THREE:** Charles Chretien, Greg Allbee, Chris Milligan, Tim Robertson, Mark Findlay, Larry Larsen, Troy Morgan.

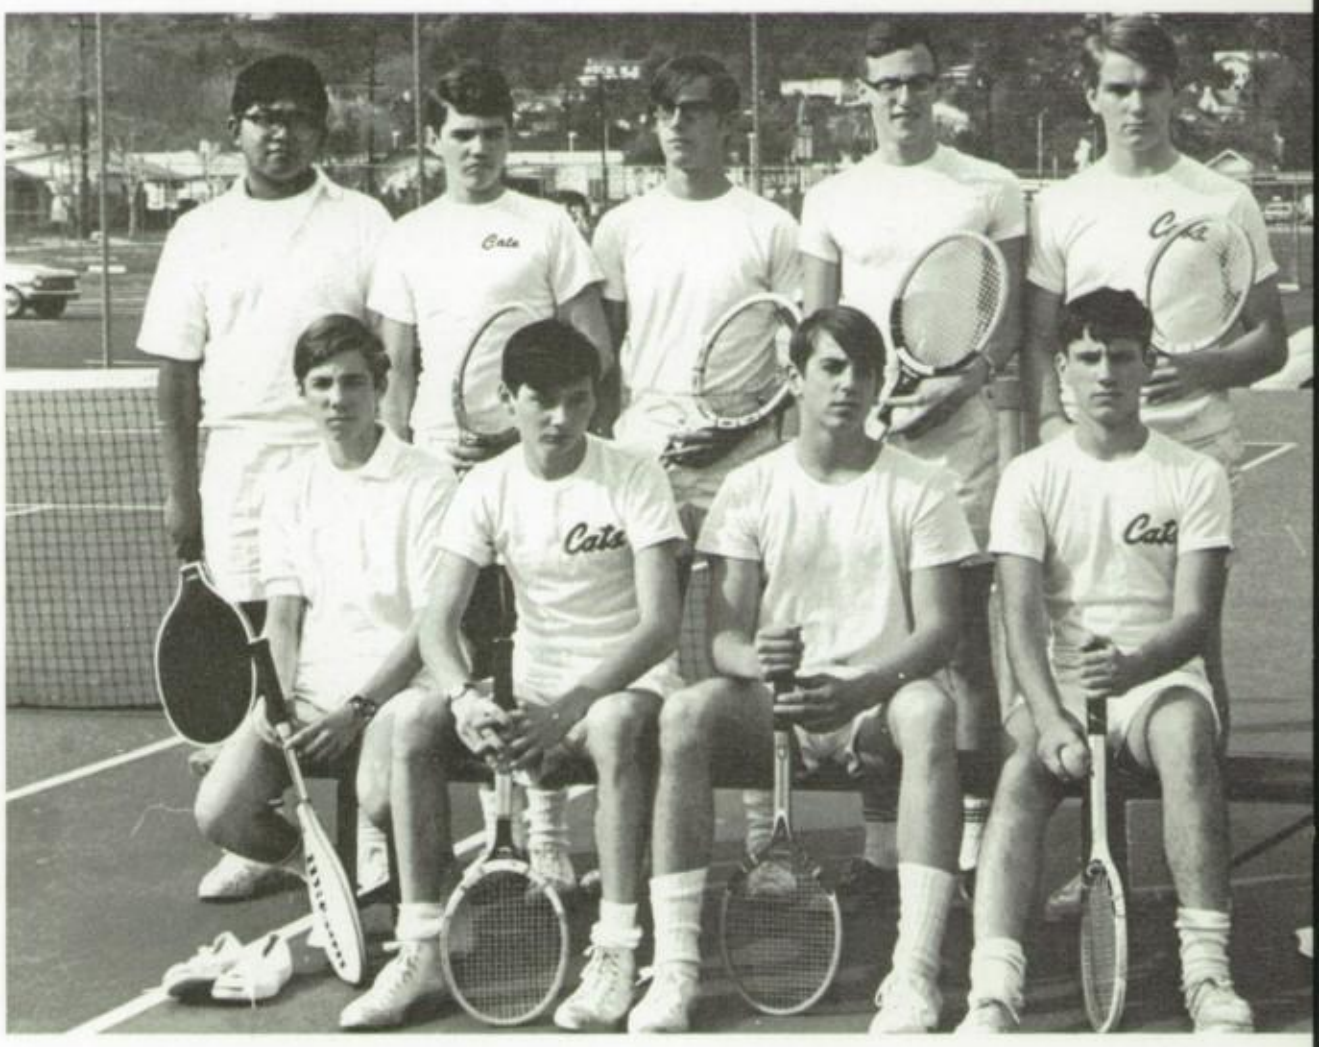
Mark Findlay

WRESTLING — YOUNG AND INEXPERIENCED

The mighty Wildcat Wrestling team went to a 0-10 season. This year the team had no returning Varsity lettermen and there were only one senior and three juniors on the whole squad. Mark Findlay and Keith Lowden were the outstanding Varsity men. Mark's record was 11-4 and Keith's was 11-5 in season and league play. Both of them placed second in Pacific League Finals. Keith also placed second in the Baldwin Park Tournament. Sophomore Greg Allbee and Freshman Troy Morgan were mentioned for doing a fine job.



ROW ONE: O. Kumenotn, C. Laclaire, C. Parsons, Co-Captain, P. Gorham, J. Davidson, G. Boen, D. Pickles, Co-Captain, M.

Tennis Teams Should Hold Their Own

"The practice season has been good so far and we have had good spirit and enthusiasm," said Coach Morgan O'Brien. He has confidence that his team will have a fair season against league competition.

Co-captains are David Pickles and Chuck Parsons. Ralph Connor and Marty Flannes are the other top varsity men. Bill Boocock and Dave Pittman were considered to be most promising. The JV team has the largest turnout in years.

Coach O'Brien mentioned that there is to be a parent booster club formed.

Golf to Battle Arcadia for League

The Golf team this year has three returning letterman and expects at least to come in second behind Arcadia, and if the team improves, to give the Apaches a fight.

Rick Zimmerman is a two-year letterman while both Dan Bagwell and Bill Minteer are one-year letterman. Tim Herrara, a freshman, has the fourth spot while Jerry Herrara and Cisco Labaco, both sophomores, will be fighting for the final and fifth spot. The coach is Jerry Simmons.

SWIMMING SPORTS 10-1 RECORD LOSING ONLY TO ARCADIA

The Varsity team had a very good year, losing only one meet, that being to Arcadia. We came in second in that meet. We won the League Relays, the Monrovia Relays, the San Gabriel Valley Invitationals and the Redland Relays.

Brian Berriman, Steve Alexander, Greg Bland (freshman), Bill Stanton, Kurt Mickelson (freshman) were named by Coach Conrad as outstanding swimmers. The team was strong in every meet.

The B team was mainly a varsity training ground while the C team won the League Championship.

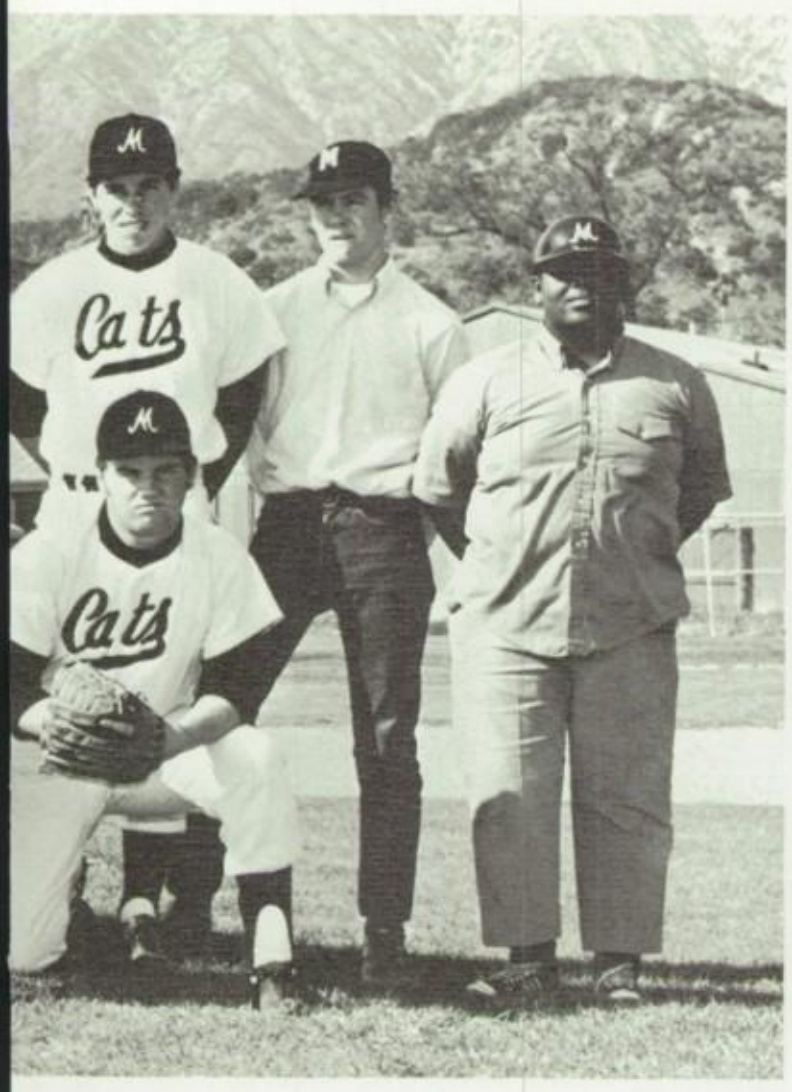
JVs Have a Balanced Team

Coach Al Katich thinks he has a good all-round baseball team in that he has good defense, good hitting, and good pitching at press time. Larry Stravolakis was mentioned for his good hitting. Cal Daniels is the team's best hitter while Bill McDonald is noted for his fielding. Coach Katich believes that his team will be in there at the end of the season, fighting. The JV's present record is two wins, one loss.

Coach **Robert Clarno**



"V" Baseball-Green

This year's Varsity Baseball was inexperienced, losing their first two league games to Arroyo and Kappel plus a close 2-1 against Arcadia. Coach Bob Clarno expected his team to improve through the remainded of the season. Coach Clarno mentioned the problem of bouncing back after the three defeats.

Coach Clarno also mentioned Rob Kendall and John Callahan as his mainstays in defense and hitting. Rob is catcher and John plays second. They are the only hitters. Mike Robles and Larry Putt are the pitchers for the team; Larry is a Junior.

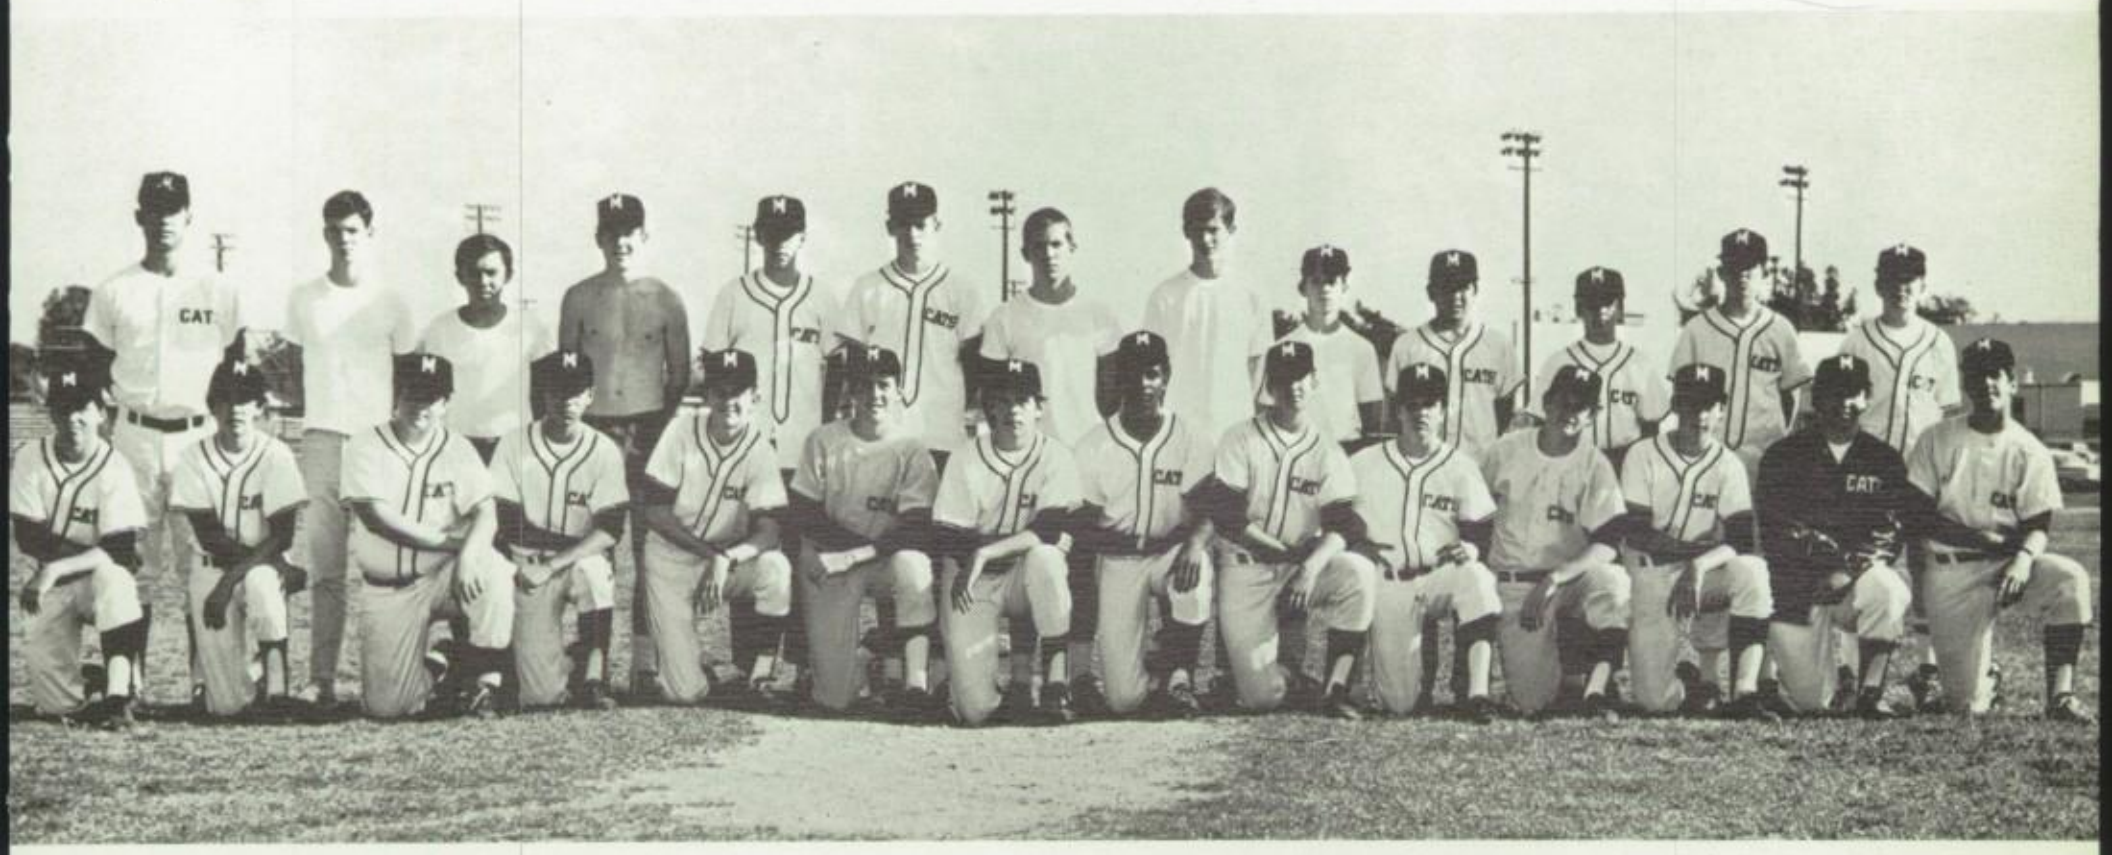
FROSH-SOPH EXPECTS VERY GOOD SEASON

Coach Dave Brubaker believes that his team this year is a good one and Bru expects to have a better than average season. The team has good depth which is unusual for a young team. The team has good hitting and a better defense. At deadline the pitching was in doubt, but Doug Hopper and Jack Burnett were mentioned as good pitchers. Jeff Johnson was commended for his hitting and George Bato for his catching. Despite an 0-2 record, Coach Bru hopes for a good season.

ROW ONE: G. Biggle, E. Crippen, M. Morgan, D. Rutledge, C. Ewals, W. Derrick, C. Edwards. **ROW TWO:** R. Reed, D. Mency, L. Jones, V. Munns, D. Fisher, G. Kruckeberg, J. Kyne, C. Weathersby, T. Holt, mgr.

VARSITY TRACK HOPEFUL

This year's team is unbalanced, being weak in the distance running and the pole vault. But the squad is strong in the hurdles and sprints. Dennis Mency and Joe Brown are the sprinters and Larry Jones and Dwayne Sims, the hurdlers. Dennis Mency has tied the school record in the 100, 9.8 seconds. The 440 relay team of Mency, Jones, Brown, and Kermit Edwards was expected to set a new record. Robert Miller was the 2 mile runner on the team.



STANDING: Coach Brubaker, J. Braden, D. Hernandez, K. Klotzle, B. Young, B. McInnes, S. Odom, J. Burnett, D. Timm, B. Ponce, J.J. Suryogh, K. Fritz, D. Hopper. **KNEELING:** R. Gouser, L. Olivas, D. At press time, the Cee's are undefeated in two preseason meets and they are strong in all areas and expect to be in the running the whole way. Rick Wilmoth is the best in the sprints along with A.J. Williams, who also performs in the relay and the field events. Leonard Player also performs in the hurdles and Barry Bigger is in the 660. The Cee team expects to be in there at the finish.

BEES WERE UNDERMANNED

The Bees like the Varsity are lacking personnel in the distances and the pole vault. Again the Bee's like the Varsity are strong in the sprints with Claude Johnson, Wendall Mason and Sherman Galloway. Coach Dink Walker is not expecting an outstanding team season but is hopeful for some individual records to be broken.

MUSD Welcomes New Principal and Policy of "Quality Education for All" in 1970

DR. ALEX RUDOFF, PRINCIPAL

MUSD gave a warm welcome to Monrovia's new principal, Dr. Alex Rudoff. "Quality Education for All" was soon initiated inside the classrooms. Promoting pride on campus was another goal successfully achieved by Dr. Rudoff. Giving the campus a new look and putting new ideas into action kept the Principal extremely busy throughout the year.

Aiding Dr. Rudoff in these school projects were Assistant Principals Mr. Harry Strubbe, Director of Student Activities, and Mr. Kenneth Smith, Director of Pupil Personnel.

Credit for Dr. Lacey's success as Superintendent must be shared with Assistant Superintendents Kenneth Richardson and Raymond Rodriguez. These two men helped Dr. Lacey with his numerous responsibilities as MUSD Superintendent.

Mr. George Woodgrift is outstanding in any field, whether it be as a science teacher, principal, or, as in the case this year, Director of Personnel. Once again he has proven to be an efficient worker in his new position this year.

BOARD OF TRUSTEES: MR. CHARLES SNELSON, MRS. PATRICIA MYERS, MR. JESSE HOLLIFIELD, PRESIDENT, MR. THOMAS SUTHERLAND, AND MR. CHARLES McKENNEY

ASSISTANT PRINCIPALS: MR. HARRY STRUBBE, MR. KENNETH SMITH

ASSISTANT SUPERINTENDENTS: MR. KENNETH RICHARDSON, MR. RAYMOND RODRIGUEZ

DIRECTOR OF PERSONNEL: MR. GEORGE WOODGRIFT

Monrovia's Board of Trustees was responsible in determining future school policies this year. Under the leadership of President Jesse Hollifield, these members worked hard so MHS students could receive a valuable education.

Completing his fourth year as Superintendent in the Monrovia School District, Dr. William Lacey may once again be rewarded for a job done well. Heading the Administration at the Linwood Office took long hours, patience, and hard work.

Revamped Counseling Staff Functions Effectively

Keeping records on students' tardies and absences was only one job efficiently done by the Attendance Personnel. Heading this staff was Mr. Clovis Smith, Attendance Director. Assisting Mr. Smith were secretaries Mrs. Elizabeth Wright and Mrs. Adeline Moak. Converting the Quad into the Attendance Office made the process of clearing absences easier for both students and personnel. New and better processes were soon put into action.

Another change made this year was directed toward the Counseling Staff. The new procedure enabled the Counselors to give more efficient help to their students. Miss Clytis Cummens was in charge of Senior girls while Mr. Robert Long received Senior boys. Mrs. Ruth Tillman handled all Junior students and Mr. Harold Freyermuth counseled the Sophomores. The Freshman counselor was Mr. Harry Kawahara while Mr. Art Langdon became the Vocational Guidance Director.

Counseling secretaries this year were Mrs. Eileen Stanton and Mrs. Winifred Kroker.

SAO SECRETARIES:
MRS JEAN THURSTON, MRS. ELIZABETH WRIGHT

Visiting the Health Center certainly seemed to be one of students' favorite pastimes during school hours. The receiving of each patient's rare ailment was performed by Mrs. Vivian Sharbonda, MHS nurse.

Whether it was typing, filing, or answering the continuous flow of phone calls, Mrs. Estella Peterson, secretary to the Principal, and Mrs. Frances Berriman, secretary to the General Office, faithfully fulfilled their positions.

Admidst the new conference table, crowds of students, and constant music from current record albums, Mrs. Jean Thurston solved problems, kept records, and maintained her high standards as SAO Secretary.

GENERAL OFFICE SECRETARY: MRS. FRANCES BERRIMAN
PRINCIPAL'S SECRETARY: MRS. ESTELLA PETERSON

Available to Students for Multiplicity Of Personal, Health and Academic Services

Providing the correct film for the right time to the right room kept Mr. Bill Talbott, Director of Audio Visual, in constant motion. Under his guidance his students learned how to handle and set up different equipment such as projectors, records, and phonographs.

From the Freshmen who wished to purchase a rooter's bus ticket to the Senior who needed a notebook for his A & I class, almost everyone visited Mrs. Ann Fox in the Student Store. Her work went beyond the selling of items in the store, for she also managed the financial matters in ASB fund raising projects.

New MHS librarian, Miss Joanne Boyd, was aided by assistant librarian Miss June Jahr. The two librarians were proud to show off their "new"library to all who were interested. With a better selection of books, bright posters, and new chairs the MHS library became a popular place among the students.
